MOOSE NEWS

*First off we hope everyone had a Merry Christmas and a Happy New Year. 2020 was a tough year and we hope nothing but the best for 2021!

*With that being said, with the new county and state mandates it is hard to tell how many people we can accommodate and when we need to close. We thank all of our members for being patient with us as we figure all of this out.

*As a board, our plan for the year of 2021 is to take that time to come up with a plan for the upstairs of the moose. We would like to get everything upstairs functioning again while still keeping the history of the upstairs that everyone remembers. If any of our members have any ideas, don't hesitate to let myself, Becky or our members of the board know. We are trying to come up with a 3 to 5 year plan for the upstairs.

**** ONE MOOSE ****

As of May 2021, the Moose Lodge will be transitioning to One Moose. This will allow our female members to be members of our Douglas Lodge. The way I understand it is that all women need to have their dues current or be in "active" status as of May 2021 and they will be given a local lodge membership. For more info contact Becky or myself.
